

C.R.I. PUMPS
Pumping trust... Worldwide.

One Stop Pumping Solutions

**C.R.I. PUMPS | PIPES | WIRES & CABLES | SOLAR
IoT DRIVES & CONTROLLERS**

VISION, MISSION & VALUES

To be the industry leader providing best-in-class fluid management solutions to individual and institutional customers and societies in our chosen markets.

We will achieve this through our dedicated efforts to enhance the welfare of all our stakeholders and by living by our values of **Commitment**, **Reliability** and **Innovation**.

ABOUT C.R.I.

C.R.I. ranks high among the world's fastest-growing fluid management solutions provider with a wide global presence. C.R.I. offers Pumps, Motors, IoT Driven Pumps, IoT Drives & Controllers, Pipes, Wires & Cables, Solar Pumps and Controllers to meet the pumping needs of its wide customer base.

60+ Years
of Engineering
Expertise

120+ Countries
have our strong
global presence

21+
Manufacturing Units
around the World

30000+ Outlets
to serve our
Customers

9000+
Products for various
applications

1500+
Service Centres to
support our Customers

16 Times
EEPC Award Winner
for Export Excellence

8 Times
NEC Award Winner
for Energy Savings

**Fludyn Advanced
Technology Centre**
Recognized by Ministry of
Science & Technology,
Govt. of India.

C.R.I. PIPES - C.R.I.'s state-of-the-art manufacturing facility at Ahmedabad & Hosur produces all kinds of best quality PVC, UPVC, CPVC Pipes & Fittings. The plants are empowered with fully automated machines that control the manufacturing process.

C.R.I. WIRES & CABLES - C.R.I.'s Wires & Cables are manufactured at its state-of-the-art manufacturing facility. The systems at the manufacturing facility are ISO-9001 certified and the products manufactured to meet the relevant standards.

INDUSTRIAL PUMPS

C.R.I., A one-stop solutions provider for pump water and process liquids in various industries such as Automobile, Cement, Pharma, Oil & Gas, Sugar, Chemical, Paint, Paper & Pulp, Metal & Mining, Food & Beverages, Textile, Machine Tools, Distillery, Water and Waste Water Management.

- End Suction Back-Pull Out Pumps (Water, Process & Chemical Applications)
- Horizontal Split Case Pumps
- Vertical Turbine Pumps
- Vertical Inline Pumps
- Ball Recirculation Pumps
- Dust Suppression Pumps
- De-Watering Pumps
- Sump Pumps
- Well Point De-Watering with Vacuum Pumps

BUILDING & COMMERCIAL SERVICES

With an eye on the growing market for various types of pumps for building & commercial and different industrial applications, C.R.I. has developed a wide range of Rugged, Reliable and Efficient Pumps. The range is continuously growing with additions to the product portfolio at regular intervals.

- Multistage Vertical Inline Pump
- Hydro Pneumatic System
- Sewage & Waste Water Pumps
- Centrifugal End-Suction Pumps
- Split Case Pumps
- Pressure Booster Pumps
- Fire Fighting Pumps
- Vertical Turbine Pumps
- HVAC

IoT DRIVES & CONTROLLERS

C.R.I. Pumps proudly presents the wide range of Smart IoT control panels. This smart panels are specially designed for proactive protection of pumpsets, which results enhanced pumpset life from varying field conditions. The smart system provides efficient operation and effective utilization of water resource in real time basis.

- Automation & Real-Time Information
- Pro-active Protection
- Design based on AI & IMSL logics
- Edge IoT control
- Remote Monitoring & Control
- Intelligent Maintenance & Service
- Modbus Rs485 Communication Protocol
- Zero Maintenance, Less Noise and Vibration Free

RESIDENTIAL PUMPS

C.R.I. offers a wide range of residential application pumps for various types of urban and rural dwellings from small buildings to independent Villas. Pumps are designed to deliver best possible Hydraulic performance based on customers need.

- Borewell Submersible Pumpset - 80mm (3"), 85mm (3.5"), 100mm (4")
- Openwell Submersible Pumpset
- Surface Monoblock Pumpset
- Self Priming Pumpset

NEXT GEN PUMPS

NEXT GEN PRODUCTS

C.R.I. offers a wide range of Next Gen products for Special Applications. These pumps are combo package for customised needs and it is precisely designed for hassle free performance.

- Pressure Booster System
- Automatic Pump Controller
- Self Priming Monoblock Pumps
- Stainless Steel Centrifugal Monoblock Pumpset
- Stainless Steel Self Priming Monoblock Pumpset
- Waste Water Pumps
- Circulatory Pumps
- Swimming Pool Pumps

AGRICULTURE PUMPS

C.R.I. offers a wide range of pumps for agricultural applications. These pumpsets are precisely designed and manufactured with High Graded & Heavy duty components under integrated quality control system. C.R.I. Agriculture pumps are more suitable for various type of farmings and irrigation purposes like borewell, openwell, drip & sprinkler, river and canal etc.

- Borewell Submersible Pumpset - 100mm (4"), 125/100mm (5/4"), 125mm (5"), 150mm (6"), 150mm/175mm (6/7"), 150mm/200mm (6/8"), 200mm (8"), 200mm/250mm (8/10"), 300mm (12"), 350mm (14")
- Openwell Submersible Pumpset
- Surface Monoblock Pumpset

SOLAR PUMPING SYSTEM

C.R.I. Solar Pumping System comprises of a solar panel array that powers an electric motor, which in turn powers a borewell or surface pump. C.R.I. Solar Pumps are available in both AC / DC and are approved by MNRE. C.R.I. has installed Solar pumps equivalent to 45 MW of cumulative capacity.

- Easy to Deploy
- Eco-Friendly
- Pollution Free
- Low Maintenance
- Zero Running Costs
- Low Total Cost of Ownership (TCO)
- 25 Years Performance Warranty for Solar PV Modules

PIPES & FITTINGS

C.R.I.'s vast experience and successful track record in pump industry spanning over 6 decades facilitates to foray into Pipe segment with its state-of-the-art manufacturing facility at Ahmedabad & Hosur. The plants are empowered with fully automated machines that control the manufacturing process.

- uPVC Plumbing Pipes & Fittings
- CPVC Plumbing Pipes & Fittings
- uPVC SWR Pipes & Fittings
- uPVC Column Pipes & Accessories
- Casing & Screen Pipes
- uPVC Pressure Pipes & Fittings
- HDPE Pipes

WIRES & CABLES

C.R.I.'s specialized wires and cables power lakhs of buildings each year. These wires are made using 99.97% pure Electrolytic Grade Copper with multi layer insulation protection.

- Flat Cables
- Round Cables
- Housing Wires
- XLPE Winding Wires
- Poly Wrapped Winding Wires
- Solar D.C. Cables
- EPDM Cables
- Auto Cables

CORPORATE SOCIAL RESPONSIBILITY

HEALTH | EDUCATION | ENVIRONMENT | SPORTS | COMMUNITY DEVELOPMENT

At C.R.I., we believe that Corporate Social Responsibility is an integral part of our growth as an organisation as true growth only comes from the development of our society as a whole.

- Established a state-of-the-art Medical Center for the poor and needy at subsidized cost and have offered more than 2,50,000 treatments so far.
- Through our COVID Care Hospital, we offered subsidized treatment to patients and our fully equipped hospital had a capacity of 100 beds during the COVID period.

- C.R.I. has so far worked towards the development of many Govt. and Tribal Schools in the last 18 years and benefited over one lakh students and has initiated a program for the adoption of 100 needy Govt Schools across India.

- C.R.I. has tied up with many states agricultural universities to encourage best farming practices by giving Annual Awards to Best Farmers.
- Under Swachh Bharat Mission C.R.I. has successfully constructed 300 individual toilets for needy homes.

- We encourage the invincible talent of women through our All India Women's Basketball Tournament conducted since 2002. The tournament of national fame has close to 300 players from different states every year.

AWARDS & RECOGNITION

An award is the recognition of outstanding work and at C.R.I., winning awards is a way of life! The number of prestigious awards is proof of that statement. We have been consistent in winning coveted awards related to energy conservation, export excellence and quality over the years. It keeps our employees motivated and our supply chain associates.

- 8-time Winner of the National Energy Conservation Award (NEC) from the Govt. of India
- 16-time Winner of the Export Excellence Award (EEPC)
- CSR Award from the Govt. of Tamil Nadu
- National Quality Excellence Award
- Rajiv Gandhi National Quality Award
- Udyog Patra Award
- Star Export House Status Holder
